

COMMUNITY TOWN HALL

April 10th 1:00pm-3:00pm at Parkrose HS

Purpose: Make this an Action-Oriented summit. Build a shared understanding of the current state of our regional education system and what will be accomplished through the Education summit. Start the community discussion about the challenges we face and solutions to identified challenges. Provide the community with ways to get involved.

Approach: Present an overview of the facts and issues that complements the presentation/discussion. Discussions will be facilitated small table conversation in three rounds. The audience will be presented with facts and information, then the small table groups will have discussion on the information presented. Electronic polling on specific questions related to the topics will follow. A discussion guide that includes a summary fact sheet and the polling questions will be provided to participants.
