

Northwest District Parking Working Group

April 29, 2010
8 a.m. to 9 a.m.
Rose Room, City Hall

1. Welcome & Introductions
2. A History of Parking in NW Portland

A considerable amount of parking analysis and policy development was completed between 2002 and 2004. Much of this work will be valuable for our current effort. This agenda segment will review the past work and begin to define which policies and agreements can become the foundation from which to move forward.
3. Economic Indicators

Report on data gathering and initial observations.
4. Stakeholder Committee Recruitment
5. Schedule Next Meeting
6. Public Testimony
